Step-by-step Ordering Process

Step 1 Plan early! You should allow a total of 6 weeks.

Step 2 Send home order forms with students.

Step 3 Determine how much you will charge for each book and fill in the price on the order form.

Charge the full retail price if you plan to profit from book sales OR

Charge discounted price if you plan to pass the discount on to the students.

Step 4 Make copies of the order form and send home with students at least five or six weeks before Barbara's visit. Please be aware, however, that children often want to purchase books after they have seen Barbara's presentation. For this reason, you should consider ordering extra books. Any books not sold may be returned.

Step 5 Using the instructions below, order books at least 3 weeks ahead.
